### FROM THE PRINCIPAL'S DESK

Dear students the second issue of the newsletter comes with the tidings of Christmas and of the New Year. You have just completed your semester and are waiting for your results, while the even semester has just begun. In our context, at Loyola, during the last semester the college introduced the unique tenants of the Jesuit education, in our curriculum through the social outreach and social awareness programmes, research methodology and paper presentations.

I believe that this has helped the staff and students to approach education by forming themselves academically, learning through values and finding new ways to growth within the existing curriculum. The wholehearted efforts will surely help you to be persons of **MAGIS**, and 'Men and Women for others.'

I hope that this new year will infuse new life, broad vision and ardent zeal in your lives in achieving your goals. I wish you all a Happy and a prosperous new year. May this New Year bring Love, Peace and Joy in our hearts. God Bless You.

Rev Fr Royston Madtha SJ
